Positioned in a tranquil and highly regarded road within Chiswell Green, Tennyson Road is a very well-maintained three-bedroom detached home, now in need of general modernisation, offering an excellent opportunity to update and personalise throughout.

The ground floor features a welcoming entrance hall leading to generous, flexible entertaining areas, including a spacious lounge to the front, a bright sitting room to the rear with patio doors to the garden, and a kitchen with a link through to the dining room, a practical layout that works well as it is, with clear scope to open up and modernise further.

Upstairs, the bedrooms are well proportioned, with a good-sized master bedroom with fitted wardrobes, two further family bedrooms, and a first-floor shower room. Throughout, the property has been well looked after, providing a solid, clean base to improve.

Externally, the property boasts a private west-facing rear garden offering both lawn and patio spaces for al fresco dining, along with a garage, block-paved driveway for two cars, and practical storage.

A rare chance to secure a detached home in this sought-after village location, with the space, garden and potential to create a truly modern family home over time.
