SUMMARY

REFURBISHED ROOMS TO LET, ALL BILLS INCLUDED - Each double room has it's own newly fitted private en suite shower room, brand new carpets, freshly decorated, new bed and mattress, wardrobes, chest of drawers and work desk.

Tenants will also have access to a shared, newly fitted modern kitchen complete with all new appliances to use at your leisure. There is also a useful utility space with washing machine and tumble dyer, as well as extra fridges.

Externally, there is a nice size rear garden also to be used between tenants and also off street parking to the front driveway for 3/4 vehicles to be used on a first come first serve basis. The entire property has recently undergone an extensive renovation, so this is a great opportunity to live in a professional house share in a quiet cul de sac that is just a short walk away Theobalds Train Station and the High Street with an array of amenities.

Contact Joshua Reed Estate Agents for more information and to arrange a viewing.
