IH INGLEBY HOMES

A really fine example of its kind!

Upgraded and remodelled, whilst impressive throughout, internal inspection is certainly advised when it comes to this lovely three-bedroom semi-detached home.

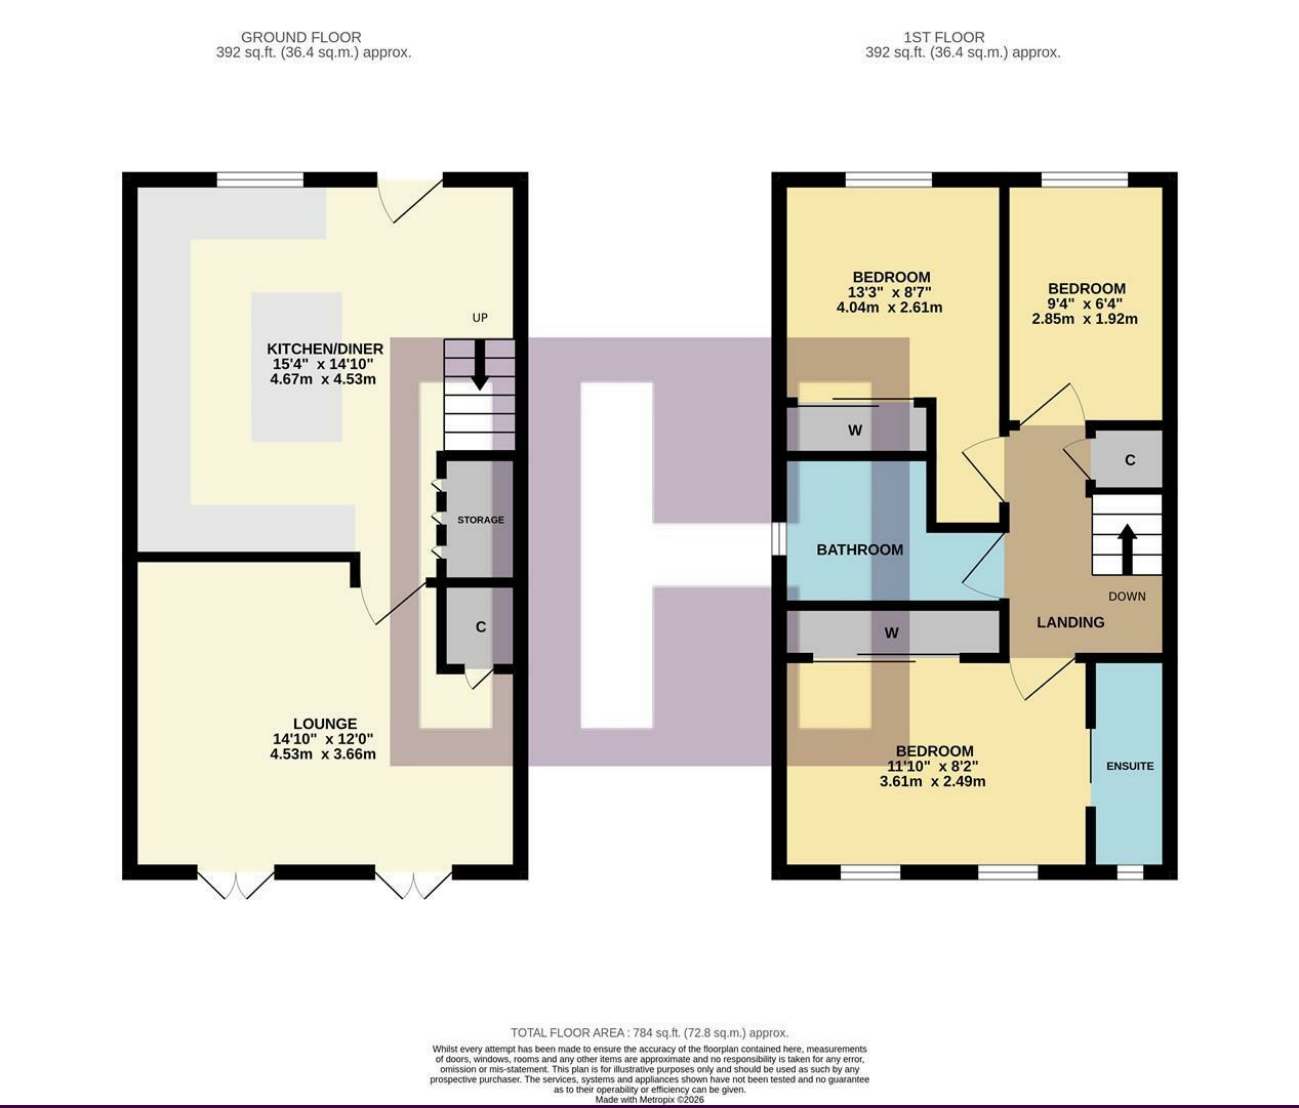

The outstanding remodelled and refitted kitchen certainly deserves special mention, bringing a wide range of quality unis, with features including a built-in pantry, appliances and 'island'.

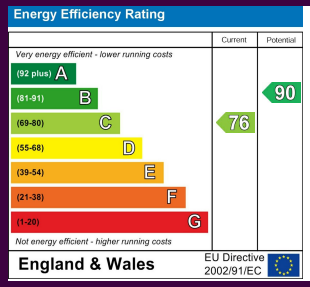

The ground floor also delivers a spacious rear living room with two sets of 'French' doors accessing the enclosed rear garden with a private rear aspect. The first floor provides three bedrooms, 'Master' with smart ensuite and fitted robes - a feature repeated in bedroom two, separate family bathroom.

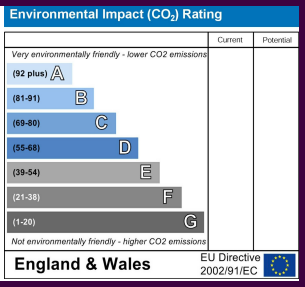

The re-laid frontage allows additional parking, adding to that already provided at the rear.
