### **BLOCK MANAGEMENT**

Any emergency involving a flat to flat leak is the responsibility of the owner. They must make contact with the resident in the flat where the leak is coming from and advise them to turn off their water. If the property is rented out, the resident will need to contact their landlord or agent as a matter of urgency.

**We are not responsible for dealing with flat to flat leaks and we cannot assist in resolving these.**

If you require information in respect of the insurance, please call the office on the next working day.
