### ABOUT DUNSCOMBE MANOR

Dunscombe Manor caravan park comprises of 80 static caravans which blend into 22 acres of National Trust land and within East Devon's area of outstanding Natural Beauty. All the leisure lodges or caravan holiday homes are

privately owned and discerning customers buy on this development specifically to get away from the hustle and bustle of everyday life. The small family run caravan park appeals to a niche market who are after a quiet caravan park with the added benefits of the beautiful coastal surrounds. The site provides no entertainment so although children are welcome there are no facilities for them. The site has a laundrette. The site is not within walking distance to a local shop or restaurants so you would require transport to access required food shopping etc. The nearest Town is the Regency town of Sidmouth with its glorious esplanade. The site enjoys open access through the pathway through the wooded combe and out onto the stunning clifftop head with a wonderful outlook over the unspoilt views of Weston Beach to the east. Further details of the park can be found at [www.duncombe-manor-caravan-park.co.uk](http://www.duncombe-manor-caravan-park.co.uk)
