Lusty Glaze has become one of Newquay's most popular residential areas thanks to its proximity to 2 fantastic beaches as well as the level walk into town across the popular open Barrowfields. Newquay Town & Chester Road has become a highly popular residential and holiday destination thanks to an influx of independent cafes, coffee shops and bars as well as the improved travel links via the A30 & Newquay Airport. It's also an extremely popular holiday spot with the current owners letting the annexe year round to couples looking to make the most of the coastline on the doorstep.

28 Bonython Road is a former 3 bedroom bungalow which has been extended to make a spacious modern family home. The accommodation is very versatile thanks to the large extended lounge/kitchen/diner to the rear which would provide ample room if you wanted to utilise the front 4 rooms as bedrooms. One of the bedrooms is currently being used as a home office which is ideal for clients given there is a separate access door to the side of the bungalow. There are also 2 bathrooms, and a separate utility, once again with its own access and ideal for coming straight from the beach! The extension is the real feature of the bungalow with a fully equipped modern kitchen with breakfast bar seating, designated breakfast/dining area and a snug lounge. This also has doors onto the rear porcelain paved patio. The patio steps down to the level garden which has been designed to be low maintenance and a safe place for the family.

The Annexe is a recently built fully self contained open plan unit. It is a lovely addition to the bungalow and presents a great opportunity for additional income or separate accommodation for multi generational living. Accessed from the front you enter the property into a small entrance hall where the shower room is located. The hallway then leads to the very modern open plan living/bedroom area. The kitchen is a fully equipped kitchen with room for a 2 person dining table and breakfast bar seating for two. This leads through to the lounge which provides ample seating for 4 and has a modern timber divide to the sleeping area. To the rear is also a small courtyard ideal to be able to cook on a BBQ or enjoy some of the afternoon and evening sun.
