Law Cottage, 244 Thameside Chertsey, KT16 8LD

Guide Price £775,000

Tucked away at the end of a private gated driveway just moments from the River Thames and Chertsey Bridge, this stunning Victorian detached residence is a hidden gem that masterfully blends period character with modern living. The home offers four generous double bedrooms and two stylish bathrooms upstairs, but the true surprise lies in the incredibly deceptive living space below.

The heart of the home is a vast, open-plan kitchen and dining area featuring timeless flagstone flooring, a central island, and a cozy seating nook anchored by a wood-burning stove—a perfect hub for both culinary creativity and family gatherings. A second formal reception room exudes charm, with dual-aspect windows that flood the space with light and an open fire that creates an inviting evening ambiance. For those working from home, a peaceful rear office overlooks the neighboring paddocks and could easily serve as a fifth bedroom, supported by a practical utility room and guest cloakroom.

The exterior is equally captivating, with secluded grounds wrapping around the property, offering panoramic views across open paddocks and a tranquil lake. This fully enclosed, gated plot ensures absolute privacy and security, complete with ample parking, a garage with a carport, a workshop, and a second detached home office. Finding a home that offers this level of versatility and setting is a rare opportunity; it is a truly enchanting retreat designed for making lasting memories.
