

47 Dakota House, Milton Keynes, MK9 2FB

£240,000

Situated in the heart of Milton Keynes, this well presented fifth floor apartment offers contemporary urban living at its finest. Overlooking the newly constructed piazza in The Hub, the property boasts a prime location with fantastic views. It is also fully available for mortgage buyers, unlike most other properties in the immediate area as this property is not affected by cladding issues.

The apartment features two spacious double bedrooms, with the master benefiting from a private balcony for outdoor relaxation, an en-suite shower room and built-in wardrobes. The expansive open-plan living and dining area seamlessly connects to a modern kitchen, perfect for entertaining, and separate bathroom.

Additional perks include secure underground parking and the convenience of being offered with no onward chain. This is a rare opportunity to enjoy
