## L'Etabl'ye, Le Catel Farm La Rue de la Falaise

Trinity, Jersey, JE3 5BQ

Asking price £925,000

We are delighted to present L'Etabl'ye, a three bedroom character cottage set in a peaceful countryside position in the Parish of Trinity. Converted from a traditional barn and completed approximately five years ago, the home has been finished to an exceptional standard, with clear attention to detail and thoughtful design choices throughout.

- The ground floor centres around an impressive open plan living space, combining a well specified kitchen with a comfortable lounge and dining area. An electric log effect fireplace creates a warm focal point, while double doors open directly onto the south facing garden, allowing excellent natural light and an easy indoor outdoor flow. A fully fitted utility room, cloakroom and welcoming entrance hall complete the accommodation on this level.

- The first floor is home to a generous and beautifully appointed principal suite, featuring built in wardrobes, a dedicated dressing area and a luxurious fully tiled en suite bathroom with a freestanding bath and large walk in shower. A second bedroom is also located on this floor. The second floor hosts the third bedroom, which benefits from its own en suite.

Outside, the property continues to impress with a south facing semi walled garden with lane access, open views across neighbouring fields and designated courtyard parking for three cars, alongside an electric vehicle charging point. With excellent nearby lane walks and the amenities of Trinity Village within a short stroll, early viewing is strongly recommended.
