

Le Marais Farm Rue Coentyn St Ouen, Jersey, JE3 2GY

We are delighted to present this rather unique, truly spacious and extremely versatile property offered in move in condition and situated in the highly sought after western parish of St Ouen. The entire property, including the outbuildings, has been comprehensively renovated within the last 15 years. Works include new tanked, reinforced and insulated concrete floor slabs with wet underfloor heating installed throughout the main habitable areas and the majority of the outbuildings, new insulated roofs incorporating Tyvek and Tri iso insulation with Welsh slates and Jersey verges, double glazing throughout, and Category 6 wiring to all habitable areas. The main house retains a wealth of original character, including exposed wooden beams and original rooflights, while having been thoughtfully renovated to a very high standard, including the reproduction of staircases and balusters. The ground floor provides a superb open plan kitchen | dining | living space, complemented by a separate utility, with four bedrooms and two bathrooms arranged across the upper floors. An integral annexe offers further excellent accommodation, comprising two bedrooms and one bathroom, along with ample storage and its own private garden. This space is ideal for two generation living or as an opportunity for additional income. The renovated outbuildings extend to approximately 3,000 sq ft and provide exceptional flexibility. They may be utilised for business use, storage, workshops or income potential, and also offer scope, subject to planning, for the creation of further accommodation or additional units. Externally, the gravelled courtyard sitting between the main house, outbuildings and neighbouring cottage is a serene space with a real al fresco ambience. Beyond this, there is an abundance of parking, storage and garden areas, making this a practical as well as lifestyle driven home. Viewing is highly recommended.
