

## The High Street Town House, La Rue du Crocquet

St Brelade, Jersey, JE3 8BZ

Asking price £1,995,000

We are delighted to present this impressive four storey townhouse, positioned on the charming cobbled high street of St Aubin, and enjoying truly exceptional views across the harbour, the fort and the sweep of St Aubin's Bay.

Arranged over four floors, the accommodation has been designed to maximise both space and outlook. The upper levels provide superb living and entertaining areas, with a generous sitting room opening onto a large balcony and sun terrace, creating the perfect setting to take in the coastal views. The kitchen and dining room also enjoys the bay outlook, while the bedroom accommodation is well balanced and flexible, making the property equally suited as a main residence or a high quality lock up and leave.

Outside space is a real highlight for this style of home in St Aubin, with multiple terraces providing options for morning coffee, evening drinks and al fresco dining. The property also benefits from secure parking for two cars, a significant advantage in this prime village location.

With restaurants, cafés, the harbour and promenade all on your doorstep, this is a rare opportunity to secure a standout home in one of Jersey's most desirable coastal settings. Viewing is highly recommended.
