2 Linden Hall La Route de la Trinite,

St Helier, Jersey, JE2 4JN

£569,000

We are delighted to present 2 Linden Hall, a modern and beautifully maintained two bedroom ground floor apartment offering easy, low maintenance living in a convenient position off La Route de la Trinite. Completed in 2020, the property remains in excellent order and is ideal for buyers seeking a turnkey home with outdoor space and parking.

The accommodation is well planned and flows nicely, with a bright living and dining space enjoying a sunny aspect and direct access out to the private garden. The kitchen is smart and contemporary with integrated appliances, while both bedrooms are generous doubles and are served by a modern shower room. A particularly practical benefit is the separate utility room, keeping laundry and storage neatly tucked away.

Outside, the apartment enjoys a private south facing garden area, ideal for relaxing or entertaining, and the property is further complemented by two dedicated parking spaces immediately outside. The service charges are low and the development does not permit dogs.

An excellent option for those wanting a well presented home with outdoor space and easy access into St Helier. Viewing is highly recommended.
