

5 Robert Allen Close Burslem, Stoke-On-Trent, ST6 1QY

Make your next move a home you are excited to come back to. Set at the end of a shared driveway, this beautifully finished four bedroom semi detached home brings together a striking interior, a top floor principal suite and practical extras that make everyday life easier.

The lounge sets the tone. A slate media wall and two metre electric fireplace create an impressive focal point and an open archway connects to the kitchen and dining room, so conversation can carry from the sofa to the table. Quartz worktops give the kitchen a crisp finish, while doors to the rear garden open up the space for summer meals and relaxed weekends. A separate utility keeps laundry out of the main living space, with its own quartz worktops and fitted storage. SPC flooring runs throughout the ground floor, complemented by modern lighting. Upstairs, the principal bedroom and its en suite occupy the top floor, creating a retreat at the end of the day. Three further bedrooms and a family bathroom offer options for family life, guests and working from home. The practical details deserve just as much attention: two dedicated parking spaces, EV charging, a house alarm and CCTV. An enclosed rear garden with lawn, a paved seating area and gated side access completes the picture. From the first impression in the lounge to the space upstairs, there is plenty here to appreciate in person. Contact Dunn & Rate to book your viewing
