## ACCOMMODATION

Situated in a quiet cul-de-sac which features just one other house, 2 Flint Close was built in 2022 by a local family, and lovingly upgraded in the few years since then. Built in a quintessential Chilterns style of black-painted wooden siding and brick and flint, a paved path leads up past attractive planting, to the portico and hardwood front door.

The entrance hall has wooden floors and windows on dual aspects. An under-stairs cupboard provides useful storage, and a cloakroom features a w.c., wash hand basin with cabinet, and a window. The house has 'wet' under-floor heating in every room on both floors. All the interior doors are oak.

Into the lounge, which is a comfortable reception space with wooden floors, a full-height double window to the front with fully integrated 'Seamless Lexiflux' blinds fitted, and a built-in German 'Hülsta' custom entertainment unit featuring LED lighting, shelving and cabinets. Glazed internal doors lead through into the large open-plan kitchen / living space. This is a dramatic and light-filled room with a southerly aspect, with ample space for a comfortable sitting room area, and space for an 8-10 seater dining table next to the kitchen.

The kitchen comprises modern fitted white gloss wall and base units with a quartz worktop. A breakfast bar has space for 2 or 3 stools beneath, and leads around to the built-in induction hob with stainless steel extractor hood over. Integrated appliances include a full-size fridge and full-size freezer, a dishwasher, and a pair of Neff ovens - one a microwave steamer and oven, the other a grill convection oven. The stainless steel 1 1/2 bowl sink features a Quooker instant hot water tap, and sits beneath a window overlooking the rear garden. A water softener is a useful addition, given the local hard water.

From the open-plan sitting area, a purpose-built utility laundry room features a washing machine and tumble dryer, and storage.

From the entry hallway, carpeted stairs lead up to the first-floor landing which has windows on 2 aspects. An airing cupboard provides useful storage.

The principal bedroom is a generous carpeted double bedroom, with wall-to-wall built-in wardrobes, a frosted glass Juliet balcony overlooking the rear garden, and an en suite shower room. This 2-tone tiled room features a walk-in shower with a hand wand attachment, a heated towel rail, a wash hand basin set into a drawer unit, a mirrored wall cabinet and a 'floating' w.c., with a window.

Bedroom 2 is a generous carpeted double with a large floor-to-ceiling window with fitted

blinds to the front.

Bedroom 3 is a carpeted double with a window to the rear and fitted blinds.

The family bathroom features a tiled enclosed shower bath, with shower over, a wash hand basin set into a drawer unit, a mirrored cabinet, a w.c. and a heated towel-rail.

## OUTSIDE

The fully-enclosed rear garden is a real feature of the house. Accessed via side gates, and from bifold doors in the kitchen / dining room, the large patio is tiled in Spanish porcelain, and with its electric awning, provides ample space for shaded al fresco seating and dining. The main garden has been landscaped with mature planting, trees, decorative lighting, and a path which leads to the Summer House. This peaceful purpose-built wooden structure is glazed, and could be used as a home office. Note, there is currently no power supplied to this structure, but it is possible. A separate garden area to the side of the house has been laid to shingle as a 'zen' garden. A door leads into the single garage.

The garage has power and light, and an electric up-and-over door. It connects to the driveway at the front, over which is a Japanese hard awning, serving as a car-port.
