The Property

6 Railway Terrace is a beautifully modernised character property which is located in the semi-rural community of Builth Road. Builth Road adjoins the Heart of Wales railway line which offers fantastic commuting opportunities to North & South Wales. This property is an absolute gem and the attention to detail and finish are of a very high standard!

Our client has tirelessly worked on the property making it the wonderful, welcoming character property it is today. The house is double glazed throughout and benefits from oil fired central heating. The ground floor accommodation offers a pleasant lounge, with a wood burning stove and a large window to the front

providing a welcoming feel. There is a kitchen breakfast room, with a tasteful fitted kitchen with ample fitted units and a dining area. At the rear of the house is the utility, with fitted units it offers storage and access to the rear.

The first floor accommodation, again finished and decorated to a high standard offers two double bedrooms. From the main bedroom you overlook the front garden and you can enjoy a Birdseye view of the trains as they pass 4 times a day, perfect for a railway enthusiast! The second bedroom is a double and enjoys a lovely outlook over the rear garden and the hills in the distance. The modern bathroom offers a white suite which is in keeping with the character finish of the property, again extremely well presented for sale.

Externally the property has a gated access opening to the front garden which has a paved path to the front door. The front garden has been landscaped with gravelled areas with mature shrubs and borders. Immediately at the rear of the property is an enclosed yard, this rear provides a private space to enjoy immediately off the back of the house and a superb decked seating area with veranda to sit and relax. A vehicular

right of way passes along the rear of the enclosed yard to the neighbouring properties and off this track you have access to the detached garage. The large rear garden has been extensively landscaped with mature plants & shrubs, with a pathway winding its way to the rear boundary. There is a small pond and a summer house to sit and relax in as you look out over the open fields. A private idyllic spot to enjoy the beautiful views.
