The Property

Introducing The Styx, which is a beautifully presented, detached bungalow located in the popular and sought-after village of Lydbury North, found within the picturesque South Shropshire countryside, near to the English/Welsh border and a short commute to the nearby market town of Bishop's Castle.

Positioned towards the edge of the village, The Styx is ideally placed for a number of useful amenities and is a stone's throw from the primary school and the well-regarded Powis Arms pub, while slightly further afield is the community run village shop, making it a fantastic proposition for a wide variety of buyers. Bishop's Castle lies approximately 3 miles from Lydbury North and offers a much wider range of independent shops, facilities and amenities. For those who enjoy the outdoors, Lydbury North is surrounded by glorious countryside and there are many walks and trails leading you on rural adventures.

Available to purchase with no upward chain, The Styx offers 3 double bedrooms, a generously-sized kitchen/diner, an impressive living room and a modern shower room, whilst outside there is a driveway and garage providing off road parking and sizeable front and rear gardens. The

property further benefits from UPVC double glazed windows, external doors, soffits, fascias and barge boards and a new electrical consumer unit was installed in 2021.

Inside, the accommodation is arranged over one floor and is made up of a central hall, which gives way to all principal rooms. The living room is a particular highlight and is a wonderfully spacious and light-filled room, featuring French doors leading out to the garden, a vaulted ceiling and a fireplace with an inset wood-burning stove. The open-plan, L-shaped kitchen/diner is a superb everyday living space, generously proportioned and finished with a fully equipped, high-quality kitchen comprising a range of fitted units, integrated appliances, while there is also ample room for a dining table – ideal for both family life and entertaining. A door from the kitchen area leads out to the rear garden. From the hall, the three double bedrooms and the modern shower room can be accessed. Like the kitchen, the shower room has also been modernised within recent years and is finished to a high standard.

Outside, to the front of the property there is a lawned front garden with a paved pathway leading to the front door. To the rear, the property enjoys a

sizeable and well-maintained garden which is predominantly laid to lawn and is enclosed by timber panel fencing. A paved seating area is found to one side and poses as an ideal spot to relax and entertain during the warmer months of the year, whilst a side gateway provides access and security back around to the front. From the rear garden a paved path leads to the rear of the garage, which is fitted with power and lighting and an electric garage door, installed in 2021. A driveway at the front of the garage provides parking for a couple of vehicles. For those buyers with children or grandchildren, the bungalow conveniently neighbours a green/play park.
