

Electric Wharf, Coventry CV1 4JU Offers Over £195,000

Modern Canal-Side Apartment in the Sought After Electric Wharf Development

Located within the vibrant and architecturally distinctive Electric Wharf area of Coventry, this beautifully presented apartment offers an exceptional blend of modern living and urban convenience. Extending to approximately 989 square feet, the property provides generous accommodation ideal for professionals, couples, or small families.

The spacious reception room is flooded with natural light, creating an inviting and versatile living space. Two well-proportioned bedrooms offer comfortable accommodation, while the thoughtfully designed bathroom and en-suite combines style and practicality with contemporary fittings.

Constructed in 2006, the apartment benefits from a modern layout that maximises both space and functionality. One of its most appealing features is the stunning canal side aspect, offering tranquil views and a unique sense of character that sets this home apart.

Situated within walking distance of Coventry city centre, residents enjoy easy access to an array of shops, restaurants, transport links, and cultural attractions. The property also includes allocated parking for one vehicle, providing added convenience.

Positioned in the iconic Boiler House building, this apartment represents not just a home, but a lifestyle combining contemporary design with the charm of a canal side setting. Whether you're a first-time buyer, downsizer, or investor, this property is an opportunity not to be missed.
