Ideally suited to those seeking the convenience of single-storey living without compromising on space, the property also enjoys a beautifully arranged rear garden with multiple seating areas, providing a wonderful setting for relaxing and outdoor dining.

The property is entered via a welcoming central hallway from which the accommodation is well arranged.

Positioned to the left-hand side is the principal living accommodation. The living room is a bright and comfortable reception space, enjoying a large front-facing window that fills the room with natural light and centres around an attractive electric fireplace.

To the rear, the dining room offers generous space for a family dining table and benefits from fitted low-level cupboards together with a substantial half-height built-in storage cupboard. Beyond the dining area is an additional sitting area overlooking the garden, creating a versatile reception space ideal for everyday family living. A door opens directly onto the rear patio, allowing the garden to become a natural extension of the living accommodation during the warmer months.

The adjoining kitchen is fitted with a range of modern cream shaker-style cabinetry finished with stainless steel handles and wood-effect laminate work surfaces. Integrated appliances include a Neff four-ring induction hob with extractor above, Neff double oven, fridge, freezer and dishwasher, while a ceramic sink with drainer and mixer tap completes the space. A door provides external access to the driveway, with a further internal door leading into the integral garage.

The garage benefits from an electric up-and-over door and is fitted with a work surface incorporating a stainless steel sink, together with power for additional appliances, creating excellent utility and storage space.

Located to the opposite side of the hallway are the bedrooms and bathroom. The front bedroom is a comfortable double, ideal as a guest bedroom, home office or hobby room. The principal bedroom enjoys a pleasant rear garden outlook and benefits from a full wall of sliding fitted wardrobes.

The contemporary shower room has been designed as a practical wet room, complete with a walk-in shower featuring both rainfall and handheld shower heads behind a glazed screen, a wide vanity wash hand basin with twin drawers beneath, WC and heated towel rail. An airing cupboard houses the boiler.

grounds & gardens

To the front of the property, a block-paved driveway provides off-road parking for two vehicles and leads directly to the integral garage. The front garden is designed for ease of maintenance while offering an attractive approach to the property.

The rear garden is a particular feature, being notably wider than many comparable properties and providing a wonderful outdoor space for both entertaining and gardening. Immediately adjoining the house is a raised paved terrace, ideal for al fresco dining, with steps descending to a generous central lawn enclosed by fenced boundaries and complemented by a planted border to the rear.

To one side of the garden is a further paved seating area, providing an additional spot to enjoy the sun throughout the day, while the opposite side features a substantial gravelled garden with a central paved seating terrace, creating another versatile entertaining space. A timber shed positioned in the rear corner provides useful external storage.
