Auctioneer's Comments

This property is for sale by the Modern Method of Auction. Should you view, offer or bid on the property, your information will be shared with the Auctioneer, iamsold Limited. This method of auction requires both parties to complete the transaction within 56 days of the draft contract for sale being received by the buyers solicitor. This additional time allows buyers to proceed with mortgage finance (subject to lending criteria, affordability and survey). The buyer is required to sign a reservation agreement and make payment of a non-refundable Reservation Fee. This being 4.5% of the purchase price including VAT, subject to a minimum of £6,600.00 including VAT. The Reservation Fee is paid in addition to purchase price and will be considered as part of the chargeable consideration for the property in the calculation for stamp duty liability. Buyers will be required to go through an identification verification process with iamsold and provide proof of how the purchase would be funded. This property has a Buyer Information Pack which is a collection of documents in relation to the property. The documents may not tell you everything you need to know about the property, so you are required to complete your own due diligence before bidding. A sample copy of the Reservation Agreement and terms and conditions are also contained within this pack. The buyer will also make payment of £300 including VAT towards the preparation cost of the pack, where it has been provided by iamsold. The property is subject to an undisclosed Reserve Price with both the Reserve Price and Starting Bid being subject to change. Referral Arrangements The Partner Agent and Auctioneer may recommend the services of third parties to you. Whilst these services are recommended as it is believed they will be of benefit; you are under no obligation to use any of these services and you should always consider your options before services are accepted. Where services are accepted the Auctioneer or Partner Agent may receive payment for the recommendation and you will be informed of any referral arrangement and payment prior to any services being taken by you.

Our Services

Homebuyer Reports

If you are buying a house, you should consider having an RICS HomeBuyer Report. Unlike a mortgage valuation, the HomeBuyer Report provides you with an assessment of the condition of the property and advises on repairs and maintenance required, so you can make an informed decision about your purchase. At Keates, our experienced surveyors are regulated by the Royal Institute of Chartered Surveyors, and we even offer a post-valuation consultation, where we can give advice on any issues raised in the report.

Lettings

Thinking of letting your property? Keates can help. Our dedicated lettings team manage hundreds of properties throughout the city and can guide you through the process with a minimum of stress. With the option of either a Let Only or Full Management service, you can choose how much or how little you would like to be involved.

Sales

Keates offer a comprehensive sales service, with helpful and friendly advice every step of the way, and the opportunity to monitor the viewing statistics and general interest in your property online. All our sales and lettings properties are listed with Rightmove and can be viewed online by potential purchasers countrywide.
