Description

Beautifully presented and sympathetically extended to the rear, this attractive home offers over 1,200 square feet of well-planned accommodation, complemented by a detached studio within the rear garden. Currently owned for over 30 years the property is ideally located within easy reach of Pembroke Road Junior school, local shops, and the market town of Chepstow, making it a superb choice for families and professionals alike. An early viewing is highly recommended.

The generous accommodation is arranged over two floors. On the ground floor, a welcoming reception hall provides access to the staircase and a cosy living room. From here, the property flows through to a dining room which opens into a modern kitchen/breakfast room, featuring french doors leading out to the rear garden. Also on this level are a useful utility room and a ground floor shower room.

To the first floor, there are three good-sized bedrooms, along with a large store room currently used as a music room, which would also make an ideal home office or hobby space. Complementing the accommodation is a four-piece family bathroom.

Externally, the property benefits from off-road parking via a driveway to the front elevation. To the rear is a low-maintenance garden, complemented by a detached 2 room studio/office set within the boundary.

To the first floor, there are three good-sized double bedrooms. Situated a short walk away is the market town of Chepstow with its attendant range of facilities. There are plenty of shops, bars, cafes and restaurants as well as good junior and comprehensive schools in the area. Chepstow is known as the gateway to the Wye Valley, itself a designated area of outstanding natural beauty. For those that enjoy the outdoors, there are many walks in the area including the Wye Valley Walk, which starts at Chepstow Leisure Centre and Wales Coastal Footpath which starts in Chepstow and follows the coastline all the way to North Wales.

For the commuter, there are excellent road networks close by plus bus and rail links to be found in Chepstow. All of which bring Newport, Cardiff, Bristol, Gloucester and Cheltenham within commuting distance.
