Description

Beautifully presented, stylish, and deceptively spacious, this exceptional home offers modern living throughout, complemented by a generous, sunny south west facing rear garden, perfect for both relaxing and entertaining. Having purchased the property approximately three years ago, the current owner has carried out an impressive programme of improvements, transforming the home into a contemporary and highly functional space. At the heart of the property is a stunning shaker-style kitchen/dining room, thoughtfully designed with a range of integrated appliances, a breakfast bar, and a clever fold-away dining table, ideal for maximising both space and practicality.

Further enhancements include bespoke built-in wardrobes to the second bedroom, a beautifully updated modern bathroom, complete redecoration throughout and new flooring, all contributing to the home's fresh and inviting feel.

The ground floor comprises a welcoming reception hall leading into a comfortable living room, which seamlessly flows into the kitchen/dining space via stylish bifold doors, creating a wonderful open-plan feel when desired.

Upstairs, the property offers well-proportioned bedrooms and a sleek, modern family bathroom.

Externally, the property continues to impress. The front has been block paved, while to the rear you will find a large, landscaped garden, private, sunny and ideal for outdoor enjoyment.

This is a superb opportunity to acquire a home finished to a high standard throughout.

Outside - Garden

The front garden has been recently enhanced with attractive block paving, creating a neat, low-maintenance, and visually appealing entrance to the property.

The layout of the rear garden has been well considered, featuring a full-width seating area that is perfectly suited for outdoor dining, social gatherings, or simply unwinding in comfort. Beyond this, there is a substantial, level lawn that offers ample space for recreation, gardening, or family activities. Towards the far end of the garden, a further seating area finished with loose stone chippings provides an additional,

versatile space to enjoy. The garden is enclosed by fencing along the boundary, enhancing both privacy and security.

Parking

The front of the property has a block-paved area that is currently used for off-road parking but requires approval and a dropped curb. At the rear there is a dropped curb previously used for parking allowing lawful access. The current owners have enclosed this space to extend the garden, but it could be easily reopened via adjusting the fencing.
